KOLAR DIVISION.

Dated 1st December 1913.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kolar Division, up to 3 P.M., of 17th December 1913 for restoring the Jagadenhalli tank, Registered No. 134 of Malur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1914.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Kolar between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 (two hundred) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring the Jagadenhalli tank, Registered No. 134 of Malur Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

V. AIYASWAMI IYER,
Executive Engineer.

TUMKUR DIVISION.

Abstract Notification dated November 1913.

The attention of the public is invited to the notification published on page 1670, Part II, of the *Mysore Gazette*, dated 20th November 1913, calling for tenders for constructing a new tank at Nidasale, Kunigal Taluk.

C. KRISHNA IYENGAR,
Executive Engineer.

MYSORE DIVISION.

Notice.

A sum of Rs. 106-9-5, being the amount due to deceased contractor Vahab Saib for repairing the St. Bartholomews Church in Mysore, has been outstanding in the books of this office from May 1912. If the legal heirs of the deceased do not claim the amount producing heirship certificate within three months from this date, the amount will be credited to Government and claim, if any, preferred thereafter will not be entertained.

Dated 25th November 1913.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 15th December 1913, for supplying gunny bags, new, 39″×24″. An approximate estimate of quantities is given below. These quantities are not guaranteed. The supplies should be completed by the end of December 1913.

2. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates with sample gunny bags.

Description of work	Unit of work	Rate per Unit
Gunny bags, new, 39″ ×24″ ...	50,000	With sample bags

3. Each tender must be accompanied by a deposit of rupees one hundred in cash or Government promissory notes, as earnest money, and be superscribed "Tender for supplying gunny bags, new;" in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

S. MUTHUSWAMI IYER,
For *Executive Engineer.*
